Portfolio: <https://adricamarottoportfolio.netlify.app/>

Front End web developer with a background in business seeking a career change. Holds a Diploma in Technologist in Enterprise (higher education) and a Front-End Web Developer certificate and bootcamp from Trilogy Education Services/edX. Co-founded Tricam Embedded Systems and attended the UNCTAD entrepreneurial education program in 2015. Experienced mentor for Technovation Challenge, mentoring both junior and senior teams and the South American Champion team in 2018. Passionate about entrepreneurship and technology. Currently holds Residence Card and EU Scheme Pre-settlement, eligible to work and remain in the UK.

PROJECTS

ADRI CAMAROTTO - PORTFOLIO – <https://adricamarottoportfolio.netlify.app/>

<https://github.com/Adriana-Camarotto/Adriana-Camarotto-Portfolio-React>

- **Summary:** this is my personal portfolio that showcases my skills, projects, and achievements to potential employers. It allows them to know my creativity, problem-solving abilities, and technical proficiency.
- **Role:** Front End Web Developer and Designer
- **Tolls:** HTML, CSS, JavaScript, API, Bootstrap, FontAwesome, React.

ODYSSEY – <https://lovely-torrone-a23b28.netlify.app/>

<https://github.com/Adriana-Camarotto/odyssey-travel-companion>

- **Summary:** The Odyssey Travel Companion app provides current details on attractions, events, and more for tourists to make informed choices. Users can access detailed descriptions and photos via search.
- **Role:** Front End Web Developer
- **Tolls:** HTML, CSS, JavaScript, API, Bootstrap, FontAwesome, React.

WEEKEND FUNTIMES – <https://abutt2.github.io/weekend-funtimes/>

<https://github.com/Adriana-Camarotto/weekend-funtimes>

- **Summary:** The Weekend Funtimes app helps users to plan events based on weather forecast: camping for good weather or movie binge for bad weather. Uses weather and movie APIs to select camping spots and filter movie options based on ratings.
- **Role:** Front End Web Developer
- **Tolls:** HTML, CSS, JavaScript, API, Bootstrap, FontAwesome.

EDUCATION

11/2022 – 03/2023 – England – Trilogy Education Services/edX / Skills for live – Gov.UK

FRONT END WEB DEVELOPER BOOTCAMP

2011 /2013 – UNOESC – Brazil - www.unoesc.edu.br

TECHNOLOGIST IN BUSINESS AND MANAGEMENT – DEGREE

PROFESSIONAL EXPERIENCE

03/2022 – present – Tesco Pharmacy - Wells, UK – www.tesco.com

MEDICINE COUNTER ASSISTANT As a medicine counter assistant (starter) in a Pharmacy I am someone who is a team player learning technical skills with a strong customer focus to accurately dispense medication for our customers according to the Standard Operating Procedures.

11/2020 – 03/2022 – Tesco – Ltd – Shepton Mallet, UK – www.tesco.com

As **COSTUMER ASSISTANT** I used to work in the ready meal department, where the best before dates are really sensitive, so I pay double attention to the dates and products rotation to assure the best for the customers. I delivered all my department routines following company policies and adhering to health and safety guidelines, to assure that customers leave the store having experienced a great shopping.

VOLUNTEER EXPERIENCE

2016 – 2020 – **TECHNOVATION CHALLENGE** - <https://technovationchallenge.org/>

MENTOR - As a mentor volunteer to the Technovation Challenge, I encouraged girls to learn how to code to develop mobile apps that solve social problems in their communities and around the world. I mentored them sustainable business models and business plans for their projects. In 2018 the GirlsUp team, mentored by me, was a South American champion in the Technovation Challenge Junior category, with Life4down App, and in 2019 this same team was a senior semi-finalist in the Technovation Challenge.
